P & L, March's Balance Sheet – Opening balance of \$22,240.86 plus a check of \$40,500 from borough, less expenses for month of \$6,459.93 leaves a closing balance of \$54,480.93. **Need to see why check number 1005 for \$1,800 to Synergy has not cleared.**

**6. Old Business**

- 2018 Budget – Update – Hearing March 20<sup>th</sup> - 2018 budget was approved.
- Holiday Lighting + Tree and Menorah – In past years, Bergenfield has leased from Rileigh's for the holiday season. However this year Rileigh's has decided not to continue with lease program. If we want to stay with them we would have to purchase all items. And, if we purchased the Holiday Tree and Menorah

would have to be stored and refurbished which would be an additional cost. We have gotten a quote from another vendor (Design Decorators) for both a 1 year lease as trial and a 3 year lease programs. S. Koperweis is getting sample of snowflake to review. **Finalize at next meeting.**

**Motion not purchase or to lease holiday tree and menorah and seek new vendor:** M. Hubschman/C. Spoerl - Approved

## 7. Executive Director and Committee Reports:

Meeting date set for May 21 at Tommy’s at 6PM. Also discussed options of RSVP and or registering to get email addresses; determined would not be possible.
- Operations – Updates: Cleaning, Planting, Banners  
Greenleaf: Met with Board of Education to see if we could utilize four I.E.P. students to help with the plantings in the beginning of May. Awaiting confirmation from School if possible this year, due to timing. Would be a win/win.
- Events – Key 2 Spring Retail program: May 10 – May 18, with Treasure Chest opening event on May 19. Each business will offer a key upon purchase during the promotion period. Everyone with a key will get a chance to open the treasure chest on May 19. Over \$1,000 in gift cards in chest. There are approximately 30 keys to open chest.
